Valmont . . . Your Utility Lighting Solution

For more than 30 years, Valmont has offered utilities steel and aluminum structures to meet the most demanding requirements. Valmont understands the unique requirements of investor-owned utilities, municipal utilities and electrical cooperatives. We have built our reputation on a company-wide commitment to customer service, innovation and cost control. Most importantly, we put our experience, understanding of specifications and standards, and reputation for excellence into everything we design and manufacture.

With our breadth of products, Valmont is unmatched in our ability to provide standard and decorative products to the utility market. Whether you're lighting a residential neighborhood or revitalizing a downtown main street, Valmont offers a complete lighting solution.

Meeting the needs of you, our customer, is our top priority. No matter how large or small your order, whether it's standard product or specially designed to meet your requirements, our focus is to provide a quality product, to deliver that product on time and per your standards, and ultimately, to be your reliable lighting partner.

Our product offerings include:

- Street lighting standards
- Area lighting standards
- Decorative lighting standards
- Lighting bracket arms
- Sports lighting
- Custom fabrication
